Background: The Community Facilities District was established by the Twin Cities Police Authority under the Mello-Roos Community Facilities Act of 1982 pursuant to (i) a resolution adopted by the Police Council on August 6, 2008, following a public hearing and (ii) an election held on November 4, 2008 at which 69.32% of the 12,188 then qualified electors of the Community Facilities District that voted on the measure (being the registered voters then residing in the City of Larkspur and the Town of Corte Madera). As a part of the Rate and Method of Apportionment of Special Tax the TCPA has allowed for an annual exemption of the special tax in whole or in part. Each year prior to May 31, a new exemption form must be submitted to the TCPA. Please note that only households that earned less than the qualifying income limits for very low-income families as established from time to time by the U.S. Department of Housing and Urban Development (HUD), as referenced in Section 50105 of the California Health and Safety Code, may qualify for a Very Low-Income Exemption.

For additional information regarding this form and the exemption process please contact the district administrator; Willdan Financial Services (866) 807-6864.
