The City shall provide group insurance for active employees as described below. The City may evaluate the group insurance benefits currently available to employees to determine if similar or better coverage may be available at lower cost to the City. The City may substitute new insurance carriers or arrange for self-insurance provided that the overall coverage is equal to or superior to the present coverage. The City will provide sufficient notice to employees before any new plan is implemented.

*i) Health Plan: Cafeteria Plan*

The City provides health insurance through the CalPERS Health Benefit Program, and makes premium contributions as described below. The City utilizes a Cafeteria Plan ("Plan") to provide for health premium contributions and other optional benefits. These optional elements are offered to employees within the cafeteria plan on a pre-tax basis.
