

General Plan Update Public Workshop

Health & Safety Element Update

Tuesday, April 3, 2018 6:30 p.m.

Community Room
Central Marin Police Authority
250 Doherty Drive, Larkspur, CA

Note: A Majority of the City Council and Planning Commission may be present at this public workshop.

1. General Plan overview: Citizen's Advisory Committee (CAC) process and role of General Plan Steering Committee (GPUSC).
2. Review of CAC Draft Health and Safety Element (Dec 2011) and recent State mandates to identify risk, hazard reduction for new and existing development, and emergency response strategies.
3. Presentation and discussion on flooding and sea level rise:
 - Role of FEMA flood hazard zones and floodplain management standards in local development.
 - Marin County Sea Level Rise Vulnerability Assessment: Larkspur Community Profile.
 - Inter-agency coordination and collaboration.
 - Community resiliency and adaptation measures: Planning for short-, medium-, and long-term impacts.
 - Open question / discussion period
4. Presentation and discussion on fire hazards and emergency response:
 - *Fire Hazard Zones and Wildland-Urban Interface.*
 - *Development and building code standards.*
 - *Inter-agency coordination and collaboration.*
 - *Community preparedness, defensible space, and early warning notification.*
 - *Open question / discussion period.*
5. Next steps.
