Dear City Council,

I urge you to vote down the proposed rent control and eviction regulations at your meeting this evening. The regulations do not solve the housing crisis. Instead they will exacerbate it by making new multifamily (rental)housing in Larkspur undesirable and encouraging condo development. They will prove costly to the city in future litigation and oversight of the regulations. Don't make Larkspur change its historic friendliness to its residents.

Jerry Cahill
35 Laderman Lane
Larkspur CA
