Hi Julian,

I am writing over concerns about the new fees for our local businesses with outdoor dining. Downtowns everywhere are struggling to find businesses that can survive in the face of Door Dash and Amazon, and it is my sincere hope that our City government can help make retail shops and restaurants thrive by making it easier and less expensive to do business in Larkspur. A shuttered downtown due to outrageous extra fees for providing basic services that residents enjoy is not in anyone's best interest.

Thanks for listening.

Best,
Carrie
