Dear Mayor and City Council,

Please reconsider the encroachment fee you have imposed upon Emporio Rulli's. Rulli's is a gem. Not only is it the local meeting place, but it gives our town a unique European flair unlike any of our neighbors. Where else can you sit outside, enjoying a cafe latte and a pastry while hearing the church bells ring out the hour? It's closer and cheaper than a trip across the Atlantic!

Please remove the fee and allow your residents to enjoy sitting outside at our own special sidewalk cafe.

Sincerely,
Peggy Colwell I
