Rullie's has let us know that if they want to continue outdoor dining, as they have for years, they will now have to pay an extra \$1800 to the town of Larkspur,.

This seems a drastic measure, unfair and think anti-community. I have been a resident of Marin all my life and I love eating outside, I really loved during Covid when everyone was out eating in the streets , felt like Europe.

Now having the option of eating out or in is very attractive.

If everyone closes their outdoor dining on Magnolia it is my belief you will see a decline in people coming to eat on Magnolia.

Please rethink to penalties you are putting on the restaurants on Magnolia.
