Julian,

I'm writing in support of those who believe \$1800/month seems like an excessive fee for the continued existence of sidewalk seating at Rulli's.

Sidewalk dining is a major attraction and should be encouraged. Although I accept there should be some fee associated with whatever costs are incurred to the City, it's hard to believe \$1800 is a reasonable tithe.

The loss of sidewalk seating or, and it's not impossible, the loss of Rulli's altogether because of this almost \$25,000 annual added expense, would be very sad for Larkspur and its residents and friends.

I hope the City will reconsider.

Thanks,

Joel Sklar
