Good Afternoon,

My husband Mark and I live in Cape Marin with our three young children, 12-year-old Naomi, 10-year old Liv and 8-year-old Isabel. We love Niven Park and were so thrilled when we learned about the plans for a new playground there.

We urge you to **please** keep location A for the new Niven Park playground, which is safely situated near a walking path and the creek. The other two locations would be a significant downgrade, and in fact they would be hazardous because they are close to a busy road.

Location A is perfect for children and families. Putting the new playground there would add to the beauty and quality of life in our neighborhood. One of the things we love about Marin is that it is a safe, welcoming place for families. Other nearby towns in Marin, like Corte Madera and Mill Valley, have nice playgrounds and gathering spots for families and children in safe areas. Location A would do the same for Greenbrae, and the fact that it will be dedicated to the memory of a young boy who loved to play at Niven will be especially heartwarming.

Thank you so much,
Rebecca Schulman
