Dear Larkspur City Council,

The current location "A" for the Niven Park playground is far superior. It is serene and has views of the water. The proposed alternatives have no water view, are noisy, and are very exposed.

Furthermore, City staff made a disingenuous comparison to Dolliver Park. Dolliver Park is on an extremely quiet and narrow residential street. Niven Park is on a busy street with a steady stream of traffic to Bon Air Center.

Please don't allow a handful of NiMBY's ruin the beautiful playground at Niven Park. Keep it in its existing location.

Best regards,
